

Dear potential CLW Camper!

Christian Life Week 2018 is fast approaching! We are very excited about seeing old faces as well as meeting new ones and the team is busy planning a fun-filled week! For CLW this year the theme will be 'The Quest'. We will be looking into how God empowers us to live a godly life and overcome life's trials.

Our journey as children of God isn't simple, in fact God guarantees that there will be challenges! Over the week we will be looking into what causes these challenges. We will look into the 'Big Three: The Devil, The World and Our Sinful Self', what they are and how they affect us. As well as hearing from you about what you feel are challenges you face in your own life.

God is the ultimate answer to how we work through our sin and the temptations that the world and the devil present us with. His relationship with us will be a key topic that we will discuss alongside the tools God has given us. Including how church, the sacraments and the Armor of God work to help us.

Finally we will look into how you can take this further in your real life journey. Exploring how being a Christian looks different in the way we act, speak and make decisions. We will look back on what you voiced as issues in your own lives, and ask how what we have looked at this week could help you.

Throughout it all we will establish how the grace of God fits into our failings and see how He works in us. So no matter how many times we fall we can know we are saved and that God will continue to be with us and in us on our Quest as Children of God, and that His forgiveness is everlasting.

This week will be a great opportunity for you to grow in your faith through the studies, worship and other events, all while meeting some new friends and getting involved in fantastic activities!

CLW this year will be held at Tandara Lutheran Campsite, Halls Gap in the Grampians. The camps are taking place during both the June/July holidays and the September/October holidays.

The dates are as follows:

- CLW Purple from the 2nd July– 6th of July
- CLW Orange from the 1st October – 5th of October

Registration forms are enclosed with this letter, which you and your friends can fill out and return to Emilie-Rae at 20 High Street, Horsham, Vic, 3400 as soon as possible to save you a place on camp.

If you know anyone from your school or church who has never been to a CLW before, encourage them to come along and join us! It'd be lovely to hang out with them for the week, learning about God and making new friends. You can download additional

forms by visiting lyv.org.au/clw, collecting them from your local church or through contacting me.

If you, your parents or anyone else have any further questions about any aspects of Christian Life Week you can check out the official 'LYV'S Christian Life Week' facebook page ([Facebook.com/lyv.christianlifeweek](https://www.facebook.com/lyv.christianlifeweek)) or feel free to email me at clw.publicity@lyv.org.au

Yours in Christ,
